1868-1905

1868—THE NEW YORK ATHLETIC CLUB was organized September 8th, 1868, at the Knickerbocker Cottage, Sixth Avenue, near Twenty-eighth Street. The first games given by the Club were held in the Empire City Rink on Third Avenue, between Sixty-third and Sixty-fourth Streets, constituting the first amateur athletic meeting held in America. The first Constitution and By-Laws of the Club were adopted in December, 1868, but were not printed and distributed to the Club members until August 23d, 1872.

1871—A plot of ground was obtained in 130th Street, running from Third to Fourth Avenue (Lexington Avenue was not then cut through), consisting of about thirty city lots, and here the New York Athletic Club built a sixth-of-a-mile running track, and held the first outdoor open amateur games. At this meeting there were more contestants than spectators. The approach to the bridge across the Harlem River at Third Avenue and 130th Street now covers a part of the old grounds.

1874—The Club moved its grounds for field sports to the Westchester side of the Harlem River, Mott Haven and 149th Street, and on June 27th the grounds were formally opened. This was the first invitation meeting ever held in America.

1876—The First Amateur Athletic Championships of America were given under the auspices of the Club at the Mott Haven Grounds, on September 30th.

1877—The Club held the first Amateur Swimming Championships on the Harlem River, open to all amateurs of the United States and Canada, August 25th.

1878—The Club gave the first indoor athletic meeting held in the United States.

1879—The Club compiled and published a series of rules governing amateurs in sparring, foil fencing, fencing with broadsword and single stick, collar-and-elbow, and Græco-Roman wrestling. These were the first rules ever used in the United States by amateurs. The total membership of the Club this year was 170.

The Club was the first to establish the definition of an amateur; the first to frame and apply a code of rules for the government of athletic meetings, and the first to offer prizes for open amateur games, and to hold an amateur championship meeting.

It built the first cinder path in the United States; was the first to combine rowing with athletic sports, and to give swimming, boxing, wrestling, fencing, and cross-country championships.

It was also the first to establish a Country House, separate from its city quarters.

I—NAME.

This Club shall be known as THE NEW YORK ATHLETIC CLUB OF THE CITY OF NEW YORK.

II—OBJECTS.

The objects of this Club are to encourage all manly sports, and to promote physical culture.

III—MEMBERSHIP

1—There shall be six classes of members : (1) Honorary, (2) Resident, (3) Life, (4) Non-resident, (5) Athletic, and (6) Junior Members.

2—No person shall be eligible to membership in any of said classes unless he be (1) an "amateur,"* and (2) not less than fifteen years of age.

3—Honorary Membership may be conferred upon any person by unanimous vote at any meeting of the Club. Honorary Members shall

* "One who has not entered in an open competition ; or for either a stake, public or admission money, or entrance fee; or under a fictitious name; or has not competed with or against a professional for any prize or where admission fee is charged ; or who has not instructed, pursued, or assisted in the pursuit of athletic exercises as a means of livelihood, or for gain or any emolument ; or whose membership of any athletic club of any kind was not brought about or does not continue because of any mutual understanding, express or implied, whereby his becoming or continuing a member of such club would be of any pecuniary benefit to him whatever, direct or indirect, and who shall in other and all respects conform to the rules and regulations of this organization."

be exempt from the payment of admission fees and dues, and shall enjoy all the privileges of Resident Members, except that they shall not vote nor hold office, nor shall they have any right or title to, nor interest in, the property or assets of the Club.

“ Officers of the Army and Navy of the United States on the active list, after being posted ten (10) days and passed upon and elected according to the rules governing the election of members, shall, upon the payment of the *annual dues of non-resident members*, but without paying any initiation fee, become entitled to all the privileges of the Club for one (1) year, and for as many years thereafter as they may continue in active service and to pay said annual dues, but they shall not hold office, vote, nor have any interest in the property of the Club : *provided that such payment of dues need only be made while said officers remain or are stationed at posts in or near the City of New York ; and provided further that in the event of removal or absence on service elsewhere, such membership may be continued without payment of dues during such removal or absence, upon first obtaining the consent of the Board of Governors.*”

Army and Navy officers so elected may become regular members at any time upon payment of the regular initiation fee.

4—Life Members shall have the same rights, privileges, obligations, and duties as are assigned to Resident Members by this Constitution, except that they shall be exempt from the payment of annual dues.

Vacancies arising in Life Membership shall not be filled after the Club shall once become free from debt. In the meantime, vacancies arising in this class may be filled by vote of the Board of Governors, as follows :

A notice of any vacancy or vacancies shall be posted by the Secretary upon the bulletin board of the Club, in its Club House in the City of New York ; and the date of such posting shall be entered upon the notice.

Resident members shall thereupon be eligible, in the order of their election as Resident Members, to fill the vacancy or vacancies—provided that each Resident Member, on election to Life Membership, shall pay a special Life Membership fee of \$900, and provided further that should no Resident Member apply for election to Life Membership

within thirty days after the date of posting the notice of the vacancy, persons on the waiting list shall be eligible, in the order of the dates of their applications—provided that the election of any such person to Life Membership shall not take effect until the candidate shall have paid a special Life Membership fee of \$1000.

5—The Board of Governors shall have power to elect as an Athletic Member any amateur athlete not less than sixteen years of age, who, in their judgment, would be a desirable addition to the Club, and who shall be recommended as such by six members of the Board of Governors.

Athletic Membership shall continue in the discretion of the Board of Governors while the member avails of the Club's gymnastic, boating, track, or field facilities, for exercise, training, and competition.

Athletic Members shall enjoy the privileges of Resident Members, except that they shall not vote or hold office, nor shall they have any right or title to, nor interest in, the property or assets of the Club.

A transfer may be made from Athletic Membership to Resident or Non-resident Membership at any time by the Board of Governors, on application in writing made by any Athletic Member provided such transfer shall take effect only upon payment of the admission fee and dues prescribed by this Constitution for the class to which the Athletic Member is thus transferred; and provided further that no transfer shall at any time be made from any other membership of the Club to Athletic Membership.

6—The Board of Governors shall have the power to elect as Junior Members of the Club, amateur athletes, not less than fifteen nor more than eighteen years of age, provided that such membership shall terminate when the member attains the age of nineteen years. Junior Members shall have all the rights and privileges of the Club's tracks, boat-houses, grounds, and cycle houses, on all days up to 8 o'clock P.M., and the rights and privileges, on week days only, of the Fencing and Shower rooms until 6 o'clock P.M., and the use of the Gymnasium, Sparring-room, and Swimming-Tank in the City House, until 5 o'clock P.M., but none other of the privileges of the Club, except when in training for competition or exhibitions.

7—Every candidate for election to Resident, Life, Non-resident,

Athletic, or Junior Membership must be proposed and seconded in writing by Resident Members of the Club, and the name and address of the candidate, with a designation of the class to which his election is proposed, also the names of his proposer and seconder, shall be entered in a book to be kept at the Club House, and which must be at all times accessible to members ; and they shall also be posted upon the bulletin of the Club for at least ten days prior to action by the Board of Governors.

8—All elections of Resident, Life, Non-resident, Athletic, and Junior Members shall be made by the Board of Governors ; and no such election shall be held until at least ten days shall have elapsed after the posting of the candidate's name as above required. The order in which candidates for membership in any class shall be balloted for, shall be the order in which their applications for membership in such class shall have been posted, *except that* Life Members shall be elected in the order of priority of their election as Resident Members, and also, *except that* the Board of Governors shall have the right, at any time after the ten days' posting, to elect any athlete who, in their judgment, will be a desirable addition to the Club, and who shall be recommended as such by six members of the Board of Governors. One adverse ballot in seven shall reject a candidate to membership in any class, *provided that* a second ballot shall be taken at any time before the adjournment of the meeting, upon the demand of any member of the Board of Governors ; but should one adverse ballot in seven be again cast, the rejected candidate shall not again be balloted for within six months.

9—Notice shall be sent to each Resident, Non-resident, and Junior Member on his election, together with a copy of this *Constitution and By-Laws*, and a request for payment of his admission fee and the dues for the half-year during which he shall have been elected ; this payment, if made, will be held as an acceptance of membership, and a submission to and agreement to be bound by the Constitution, By-Laws, and Rules of this Club. Failure to make this payment within thirty days shall render such election null and void.

10—Each Resident Member shall pay an admission fee of One Hundred Dollars and annual dues of Sixty Dollars ; each Non-resident Mem-

ber shall pay an admission fee of Fifty Dollars and annual dues of Thirty Dollars ; and each Junior Member shall pay an admission fee of Ten Dollars and annual dues of Twelve Dollars ; provided that, whenever a Non-resident Member shall become a resident of New York, or of any place within thirty miles thereof, he shall thereupon cease to be a Non-resident Member, but may be elected a Resident Member, upon the payment of a further admission fee of Fifty Dollars.

A resident within the meaning of this Article is one who resides within a radius of thirty (30) miles from the City Club-House, or who remains within such territory for three (3) consecutive months in each calendar year.

Athletic Members shall be exempt from the payment of admission fee, but shall pay annual dues of Ten Dollars.

11—Dues of Resident, Non-resident, Athletic, and Junior Members shall be payable semi-annually, in advance, on the first day of March and the first day of September.

12—None but Life or Resident Members shall be entitled to vote or hold office, but Non-resident Members shall have all other rights and privileges conferred by this Constitution upon Resident Members.

13—The number of Resident Members shall not exceed thirty-five hundred ; the number of Life Members shall not exceed five hundred ; the number of Non-resident Members shall not exceed eight hundred, and of Athletic Members two hundred ; the number of Junior Members shall be within the discretion of the Board of Governors, but shall not exceed two hundred.

14—All members must immediately notify the Secretary of any change in address, and by failure to do so shall be deemed to have waived any notice provided for under the Constitution, By-Laws, or Rules of this Club.

15—Membership in this Club shall be terminated : (a) By voluntary resignation, provided that such resignation be tendered in writing, addressed to the President or Secretary, to be acted upon by the Board of Governors ; and no such resignation shall be accepted unless the resign-

ing member shall be at the time in good standing, and shall have liquidated all arrears to the Club, including dues (if a Resident, Non-resident, or Junior Member) for the fiscal half-year in which his resignation is tendered. (b) By forfeiting his status as an amateur under a finding or decision of the Board of Managers of such central association as this Club is, or may become, a member of, duly confirmed by the Board of Governors of this Club, or under a finding or decision of the Board of Governors of this Club. (c) For failure to pay annual dues, providing that such default shall have been posted opposite the member's name, upon the Club bulletin, thirty days after the same shall have become due, and remain unpaid one month after the date of such posting. (d) By action of the Board of Governors for non-payment of any indebtedness beyond the periods provided by the Constitution, By-Laws, or House Rules. A member may be reinstated by the Board in their discretion, except that if a member has been dropped from membership twice, without giving to the Board a satisfactory excuse for non-payment of his indebtedness, he shall not be reinstated. (e) By representing in any open competition any other Club belonging to the Amateur Athletic Union or any Association thereof, in case he shall have been elected to membership in this Club after April 1, 1891. (f) If any member shall be charged by any other member, in writing, addressed to the President, Secretary, or Board of Governors, with conduct injurious to the good order, peace, or interests of the Club, or at variance with its Constitution, By-Laws, or Rules, the Board of Governors shall inform him thereof, in writing, furnishing him with a copy of such charge, and giving him at least ten days' notice to attend before the Board in answer thereto. And if, upon inquiry and hearing, the Board of Governors shall be satisfied of the truth of the charge, they may censure or suspend him; or, if in their judgment the interests of the Club demand such action, they shall ask him to resign; and upon his failing to do so within ten days, they shall expel him.

16—At any time within ninety days after an expulsion or suspension of a member, a meeting of the Club shall be called, if required, in writing, by fifty voting members of the Club, addressed to the Secretary, at which meeting an appeal may be taken from the decision of the

Board of Governors, and the member may be restored to his membership by a vote of the majority of the members of the Club present and voting.

17—Any member upon resigning or forfeiting his membership must return to the Club his Club ticket and keys.

18—Termination of membership, from any cause whatsoever, shall operate as a release of all right or title to, or interest in, the property and assets of the Club.

19—Any person having resigned or forfeited membership, and wishing again to become a member, must be regularly proposed and balloted for, as when first elected, unless the Board of Governors, upon investigation, shall deem it proper to reinstate him.

20—Any resident member intending to be absent from the United States for a period of one year or more, may continue his membership in the Club without payment of dues accruing during such absence upon obtaining the consent of the Board of Governors.

IV—OFFICERS.

The officers of this Club shall be a President, Vice-President, Secretary, Treasurer, Captain, and sixteen Governors, who, together, shall constitute the Board of Governors, in which shall be vested the government and management of the Club.

V—ELECTION OF OFFICERS.

1—The President, Vice-President, Secretary, Treasurer, and Captain shall be elected annually; the remaining members of the Board of Governors shall be divided into two classes, and the term of office of the older class shall expire on the second Tuesday of January in the second year after the election of such class, or when their successors shall be elected; members to replace the outgoing class, and to fill vacancies, shall be elected at the annual meeting in January.

2—No member shall be eligible for election by the Club to the Board of Governors unless his name shall have been posted in a conspicuous place in the Club House for at least ten days before the election.

3—The Club election to membership of the Board of Governors shall be by ballot, at each annual meeting of the Club. The presiding officer shall appoint four or more Inspectors of Election, at his pleasure, who shall receive and canvass the ballots and certify the results to the Secretary. The polls shall remain open four hours.

4—A plurality of all the votes cast shall be necessary to the election of any member of the Board of Governors.

5—In case the certificate of the Inspectors shall show that all the vacancies in the Board of Governors have not been filled, the meeting shall be adjourned for two weeks, at which adjourned meeting the election shall proceed as hereinbefore provided.

VI—DUTIES AND POWERS OF OFFICERS.

The President shall preside at all meetings of the Club and Board of Governors, and enforce all laws and regulations of the Club. He shall be an *ex-officio* member of all committees of which he is not an active member.

VII.

In the absence of the President, the Vice-President shall perform his duties. Should neither officer be present, a Chairman shall be chosen by vote.

VIII.
